

AV environment

110 Rochester Row offers a flexible and contemporary meeting space in the heart of London.

All our meeting rooms feature state-of-the-art audio-visual equipment and our friendly events team are on-site whenever you need their support.

Intuitive control

Wall-mounted iPads in each room act as your one-touch control system for sound, lighting, display and air conditioning.

Intuitive service

Our events team is on hand to help you set up and support you throughout your presentations. For more in-depth AV needs, we can arrange for the support of a professional AV technician, for an additional cost. We are here to make sure everything goes right for your event.
