

# Green Policy

At 110 Rochester Row we are committed to working in a sustainable way.

- We comply with the requirements of environmental legislation and approved codes of practice.
- We continuously seek to improve our environmental and social performance.
- We reduce pollution, emissions, and waste.
- We reduce the use of energy, water, and other resources.
- We use a zero to landfill waste management service collected in carbon-neutral vehicles.
- We participate in the Meetings Industry Association #20percentless initiative to reduce single use plastic by 20% with a view to eliminating by 2025.
- We raise awareness, encourage participation and train employees in sustainable business practices.
- We expect similar environmental standards from all suppliers and contractors.
- We have minimised our risks associated with social and environmental issues.
- We have joined the Green Tourism Business Scheme as an indicator of our sustainable practices.
